Continuation of Substance of Interview including description of the general nature of what was discussed: Examiner called to Mr.Crosby to inquire the status of the application since a response to the Non-Final office action (mailed 10/10/2006) has not been received and that the application has passed the 6 months abandonment date. Mr.Crosby responded that he does not know the status because applicant's company went out of business. Mr.Crosby can't confirm who acquired this application nor if there will be a response to the office action.
